Dear Councillor Wheeler

COMMITTEE REPORT – ORMIDALE TERRACE – MURRAYFIELD PARISH CHURCH

Thank you for your recent email dated 10 June 2010 to Marshall Poulton regarding the above. I appreciate that there has been some delay in sending a response to your enquiry, please be rest assured that we have been working hard to respond to the high level of customer contact and provide you with a full and accurate response as quickly as possible.

I can advise that the TIE committee on 27 July 2010 upheld the objections received towards the introduction of parking restrictions outside Murrayfield Parish Church. A commitment was made for the West Neighbourhood Roads Team to engage with the Church representatives to assist in the resolution of access difficulties.

An update is due to be presented to the next TIE committee with regard to this matter, proposing to install a dropped kerb access and an adjacent access protection marking. This location will then be closely monitored by the Road Services Team. Until this report has been presented to the TIE committee there is no further information available at present.

All interested parties will be updated following the next TIE committee.
