Rejuvenating Roseburn – Community Engagement

The Council is proposing significant changes to the street layout on Murrayfield Avenue, Murrayfield Place and the Old Coltbridge, to improve the environment for people in these spaces (See designs overleaf). This will include:

- Significantly wider pavements and additional 'Public Realm' (pedestrian space)
- Safer, easier and more direct road crossings
- Improved pavement surfaces

The Council is working in partnership with Murrayfield Community Council to understand the needs and wants of the local community, so that we can work together to develop outstanding designs for this public space in line with the Roseburn Action Plan. This could include:

- More greenery, planting and street trees
- Places to sit and relax
- Public artworks and sculpture
- Or something totally different...
- **We need to hear your views!**
- Please get in touch with any suggestions or ideas for this area: Rurighd.McMeddes@edinburgh.gov.uk
-

- **What Next? Come back on Tuesday 5 December!**

● We'll be holding a public exhibition of the draft designs in response to engagement for this area on **Tuesday 5 December**. This will take place during the day on the Old Coltbridge, and in the evening as part of the next meeting of Murrayfield Community Council. We hope you can make it along!
